How to Use

IB ISOBook IB ISOBook for Servers

FOR MOBILE

## | Step 1

Go to ISOBook by typing https://isobook.net in your browser's address bar.

| Step 2

In the menu at the top, click Operating Systems, or Other Software if you desire.

| Step 3

If on Operating Systems, read the General Directions and then choose your desired system.
Just scroll to the bottom and click Latest if you desire the latest. Then, on the systems' page, click your desired edition and update.
If on Other Software, click **download** below your desired software.
